	No. of shares	Nominal value TZS '000	No. of shares	Nominal value TZS '000
Dipak Chotalal Vassa	100	20,000	100	20,000
Palvi Dipak Vassa	100	20,000	100	20,000
	<u>200</u>	<u>40,000</u>	<u>200</u>	<u>40,000</u>

#### **Dividends**

The directors do not recommend payment of dividends.

#### **Results for the year**

The performance of the company during the year is set out on page 6 of these financial statements.

#### **Accountants**

The accountants, M. A. Hassam & Co. have indicated their willingness to continue in office and are eligible for re-appointment.

By order of the board

Dipak Chotalal Vassa  
**Director**

Date: 26/6/2018

Reni International Company Limited

Statement of Director's Responsibilities  
for the year ended 31 December 2017

---

The Companies Act, 2002 requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its operating results for that year. It also requires the directors to ensure that the company maintains proper accounting records which disclose, with reasonable accuracy, the financial position of the company. The directors are also responsible for safeguarding the assets of the company.

The directors accept responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Financial Reporting Standards and the requirements of the Companies Act, 2002. The directors are of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the company as at 31 December 2017 and of its operating results for the year then ended. The directors further accept responsibility for the maintenance of accounting records which may be relied upon in the preparation of the financial statements, as well as adequate systems of internal financial control.

Nothing has come to the attention of the directors to indicate that the company will not remain a going concern for at least the next twelve months from the date of this statement.

Dipak Chotalal Vassa

Reni International Company Limited

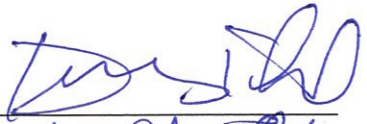

**Declaration of Independent Accountant  
for the year ended 31 December 2017**

---

The National Board of Accountants and Auditors (NBAA) according to the power conferred under the Auditors and Accountants (Registration) Act. No. 33 of 1972, as amended by Act No. 2 of 1995, requires financial statements to be accompanied with a declaration issued by an independent accountant responsible for the preparation of financial statements of the entity.

It is the duty of a Professional Accountant to assist the Board of Directors to discharge the responsibility of preparing financial statements of the entity showing true and fair view of the entity's position and performance in accordance with applicable International Accounting Standards and statutory financial reporting requirements. Legal responsibility for the preparation of financial statements rests with the Board of Directors as per the Statement of Directors' Responsibilities on Page 3.

I, Shadrack L. Msekah being the independent accountant hereby acknowledge my responsibility of ensuring that financial statements for the year ended 31 December 2017 have been prepared in compliance with applicable accounting standards and statutory requirements, give a true and fair view of the position of the Company and are prepared based on properly maintained financial records.

**Practitioners' Compilation Report  
To the Management of Reni International Company Limited  
for the year ended 31 December 2017**

---

We have compiled the accompanying financial statements of Reni International Company Limited based on information you have provided. These financial statements are presented in accordance with the financial reporting framework. The financial statements comprise the statement of financial position for the year ended 31 December 2017, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management is responsible for these financial statements, including adoption of the applicable financial reporting framework, and the accuracy and completeness of the information used to compile the financial statements.

We performed this compilation engagement in accordance with International Standard on Related Services 4410 (Revised), Compilation Engagements. This Standard requires that we comply with quality control standards and relevant ethical requirements, including ethical principles of integrity, objectivity, professional competence and due care.

A compilation engagement involves applying expertise in accounting and financial reporting to assist management in preparing and presenting financial information.

Reni International Company Limited

Notes to the Financial Statements  
for the year ended 31 December 2017

---

1. Principal accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below:

(a) Basis of preparation

These financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) under the historical cost convention.

(b) Revenue and expenditure recognition

Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Sales of products

Sales are recognised upon delivery of goods or performance of services, and are stated net of Value Added Tax (VAT).

Expenditure:

Expenses are recognised in the income statement in the year in which they are incurred.

(c) Translation of foreign currency

The financial statements are presented in Tanzanian Shillings, which is the company's functional and presentation currency. Transactions in foreign currencies during the year are converted into Tanzanian Shillings at rates ruling at the transaction dates. Assets and liabilities at the statement of financial position date which are expressed in foreign currencies are translated into Tanzanian Shillings at rates ruling at that date. The resulting differences from conversion of and translation are dealt within the income statement in the year to which they relate.

(d) Equipments

Equipments are initially recorded at cost. Cost comprises of expenditure that is directly attributable to the acquisition of items. Subsequently costs are included in the asset's carrying amount or recognised as a separate asset as appropriate only when it is probable that future economic benefit associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Depreciation is calculated on the reducing balance method to write off the cost of each asset to its residual values over its estimated useful life using the following annual rates:

Building and godown	5.0%
Motor vehicle	37.5%
Motor cycle	25.0%
Computer	37.5%
Furniture & fittings	12.5%

**(e) Inventories**

Inventories are stated at lower of cost and net realisable value. Cost is determined by the first-in, first-out (FIFO) method. Net realisable value is estimated selling price in the ordinary course of business, less the costs of completion and selling expenses.

**(f) Cash and bank balance**

Cash and bank balance are carried in the statement of financial position at cost. Cash and bank balance comprise cash in hand and bank balances.

**(g) Trade and other receivables**

Trade receivables are recognised and carried at original invoice amount less an allowance for any uncollectable amounts. Provision is made when there is objective evidence that the company will not be able to collect the debts. Bad debts are written off when identified.

Other receivables are carried at anticipated realisable value.

**(h) Deferred taxes**

Deferred tax is provided, using the liability method, for all temporary differences arising between the tax bases of assets and liabilities and their carrying values for financial reporting purposes. The tax rates enacted or substantively enacted at the balance sheet date are used to determine deferred tax.

**(i) Trade and other payables**

Trade and other payables are stated at their nominal value.

**(j) Employees' benefits**

The company contributes to the National Social Security Fund (NSSF) and Parastatal Pension Fund (PPF), which are defined contribution plans. These plans are prescribed by Law. The Company and employees both contribute 10% of the employees' gross salaries to NSSF and PPF to the schemes respectively. The contribution is charged to the income statement when incurred.
