## **7. CORPORATE GOVERNANCE**

### **Code of Corporate Practice and Conduct**

MABOTO MICROFINANCE LIMITED is committed to the principles of effective corporate governance and the Board is of the opinion that the Company currently complies with principles of good corporate governance.

### **The Board of Directors**

The Board of Directors of Maboto Microfinance Limited consists of Two Directors as follows:

- |     |                            |           |
|-----|----------------------------|-----------|
| i.  | Robert Chacha Maboto       | Tanzanian |
| ii. | Scholastica Robert Maboto. | Tanzanian |

The Board takes overall responsibility for the Company, including responsibility for identifying key risk areas, considering and monitoring investment decisions, considering significant financial matters and reviewing the performance of Management against budgets and business plans.

The Board is also responsible for ensuring that a comprehensive system of internal control policies and procedures is operative for compliance with sound corporate governance principles.

The Board is confident that its members have the knowledge, talent and experience to lead the Company.

### **Ethical Behavior**

Compliance with the Code of Conduct is the ultimate responsibility of the Managing Director with day-to-day monitoring delegated to line Management with the support of personnel officers. All staff is expected to maintain the highest level of integrity and honesty in dealing with customers, suppliers, service providers and colleagues.

The Company's Code of Conduct commits it to the highest standards of integrity, conduct and ethics in its dealings with all parties concerned, including its Directors, managers, employees, customers, suppliers, competitors, investors, shareholders and the public in general.

### **Financial Reporting and Auditing**

The Directors accept final responsibility for the preparation of the annual financial statements which fairly present:

- The financial position of the Company as at the end of the year under review;
- The financial results of operations and;
- The cash flows for that period.

The responsibility for compiling the annual financial statements is vested in the Board of Directors and the financial audit was carried out independently by an external auditor and the Company complied with the Company and other laws of Tanzania.

The Directors are satisfied that during the year under review:

- Adequate accounting records were maintained;
- An effective system of internal control and risk Management, monitored by Management, was maintained;
- appropriate accounting policies, supported by reasonable and prudent judgments and estimates, were used consistently; and
- The financial statements were compiled in accordance with International Financial Reporting Standards and in the manner required by the Tanzanian Companies Act, 2002.

The Directors are also satisfied that no material event has occurred between the financial year-end and the date of this report which affects the business or has not been reported.

The Directors are of the opinion that the Company has sufficient resources and commitments at its disposal to operate the business in the foreseeable future.

#### **9. MANAGEMENT**

Management of the Maboto Microfinance Limited is under the leadership of the Managing Director Mr. Robert Chacha Maboto.

The Company is organized in the following departments:

#### **13. RISK MANAGEMENT AND INTERNAL CONTROL**

The Board accepts final responsibility for the risk Management and internal control system of the Company. It is the task of Management to ensure that adequate internal financial and operational control systems are developed and maintained on an ongoing basis in order to provide reasonable assurance regarding:

- The effectiveness and efficiency of operations
- The safeguarding of the Company's assets
- Compliance with applicable laws and regulations
- The reliability of accounting records
- Responsible behaviors towards all stakeholders.

The efficiency of any internal control system is depended on the strict observance of prescribed measures. There is always a risk of non-compliance of such measures by staff. Whilst no system of internal control can provide absolute assurance against misstatement or losses, the Company's system is designed to provide the board with reasonable assurance that the procedures in place are operating effectively. The Board assessed the internal control systems throughout the year and is of the opinion that they met the accepted criteria.

#### **14. EMPLOYEES' WELFARE**

##### **Management and employees' relationship**

A healthy relationship continues to exist between Management and employees. There were no unresolved complaints received by Management from the employees during the year. There was good team work between Management and staff.

#### **15. ACCOUNTING POLICIES**

Results of the Company are sensitive to the accounting policies, assumptions and estimates that underlie the preparation of the financial statements. When preparing the financial statements, it is the Directors' responsibility under the Tanzania Companies Act 2002 to select suitable accounting policies and to make judgments and estimates that are reasonable and prudent. The accounting policies that are deemed critical to our results and financial position, in terms of the materiality of the items to which the policies are applied and the high degree of judgment involved, including the use of assumptions and estimation, are described in Notes 3 to the financial statements.

#### **16. EVENTS AFTER REPORTING PERIOD**

There are no material events, adjusting or non-adjusting, which have occurred between the reporting date and the date when Financial Statements are authorized for issue.

**REPORT OF THE AUDITORS ON THE FINANCIAL STATEMENTS OF THE COMPANY FOR THE YEAR ENDED  
31<sup>ST</sup> DECEMBER, 2020.**

**Opinion**

In our opinion the financial statements present fairly, in all material respects, the financial position of Maboto Microfinance Limited as at 31<sup>ST</sup> December 2020, its financial performance and its cash flows for the financial year under review in accordance with International Financial Reporting Standards (IFRS) and comply with Companies Act 2002.

**What we have Audited**

We have audited the Annual Financial Statements of Maboto Microfinance Limited for the year ended 31<sup>ST</sup> December 2020 set out here in this report.

We have obtained all the information and explanations, which, to the best of our knowledge and belief, were necessary for the purpose of our audit.

**Basis of Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISA).

Those standards require that we plan and perform the audit to obtain reasonable assurance that the annual financial statements are free from material misstatements.

An audit includes:

- examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements,
- assessing the accounting principles used and significant estimates made by the management, and
- Evaluating the overall financial statements presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Opinion section we have determined the matters described below to be the key audit matters to be communicated in our report.

**MABOTO MICROFINANCE LIMITED**  
**FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31<sup>ST</sup> DECEMBER 2020**

---

We have determined that there are no key audit matters to communicate in this report

**Independence**

We are independent of the Institution in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the ethical requirements of the National Board of Accountants and Auditors (NBAA) that are relevant to our audit of the financial statements in Tanzania.

We have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the ethical requirements of the NBAA

**Information Other than the Financial Statements and the Auditor's Report Thereon**

Management is responsible for the other information. The other information comprises of the Director's Report and the Declaration by the Head of Finance but does not include the financial statements and the Auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Responsibilities of Management and those charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

**Auditors' Responsibility for the Audit of the Company's Financial Statements**

Our objectives are to obtain reasonable assurance about whether the company financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the company financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the company financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast

significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the company financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the company financial statements, including the disclosures, and whether the company financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the company to express an opinion on the Company financial statements. We are responsible for the direction, supervision and performance of the company audit. We remain solely responsible for our audit opinion.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the company's financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

This report, including the opinion, has been prepared for, and only for, the company's members as a body in accordance with the Companies Act, No. 12 of 2002 and for no other purposes. As required by the Companies Act, No. 12 of 2002, we are also required to report to you if, in our opinion, the Director's Report is not consistent with the financial statements, if the company has not kept proper accounting records, if the financial statements are not in agreement with the accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding Directors' remuneration and transactions with the company is not disclosed.

In respect of the foregoing requirements, we have no matter to report.

**NOTES TO FINANCIAL STATEMENT**

**1. REPORTING ENTITY**

The Company was incorporated on 23<sup>rd</sup> August 2018 under the Tanzanian Companies Act 2002 and commenced its operation in the same year.

The registered address of the company is as follows:

**MABOTO MICROFINANCE LIMITED**

NYASAKA ROAD, ILEMELA

P.O. BOX 10316

MWANZA, TANZANIA

**SIGNIFICANT ACCOUNTING POLICIES**

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been applied during preparations of these financial statements.

**a) Statement of compliance**

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRSs) and its interpretations adopted by International Accounting Standards Board (IASB).

**b) Basis of preparation**

The financial statements have been prepared under the historical cost convention as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets.

The financial statements are presented in Tanzania Shillings which is a both functional and reporting currency of the Company, except when otherwise indicated. The financial statements comprise a statement of profit or loss and other comprehensive income, statement of financial position, statement of changes in equity, statement of cash flows, and explanatory notes.

The preparation of financial statements in conformity with IFRSs requires Management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

**c) Current Versus Non-Current Classification**

The Company presents Assets and Liabilities in the Statement of Financial Position based on current/non-current classification. An asset is current when it is:

- Expected to be used or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be used within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**d) Revenue Recognition**

Revenue is recognized when revenue and associated costs can be measured reliably and future economic benefits are probable. Revenue is measured at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, net of discounts, VAT and other related taxes.

**e) Property and Equipment**

**Recognition and Measurement**

Items of Property and Equipment are measured at cost less accumulated depreciation and impairment losses. Cost includes expenditures that are directly attributable to the acquisition of the asset.

**Depreciation**

Depreciation is calculated on a reducing balance method over the estimated useful lives of each part of an item of property and equipment.

Rates of Depreciation charge are as follows:

<b>Asset category</b>	<b>Rate</b>
Motor vehicles	37.5%
Motorcycle	37.5%
Furniture and fittings	12.5%
Office Equipment	12.5%
Computer	37.5%

**h) Inventories**

Inventories are valued at the lower of cost and net realizable value (NRV). Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Cost is determined on a first-in-first-out basis.

**i) Trade Receivables**

Trade Receivables are recognized initially at fair value and subsequently measured at amortized cost using effective interest method, less provision for impairment. A provision for impairment of the Trade Receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of receivables.

The amount of the provision is the difference between the assets carrying amount and the present value of estimated future cash flows, discounted at the effective interest rate. The amount of the provision is recognized in the profit and loss account.

**j) Cash and Cash Equivalents**

Cash and Cash Equivalents in the Statement Of Financial Position comprises of cash at bank and in hand and other short-term highly liquid investments that are readily convertible to known amount of cash which are subject to an insignificant risk of change in their values and are used by the Company in the Management of its short term commitments with original maturities of three months or less.

For the purposes of The Statement of Cash Flows, cash and cash equivalents consists of cash and cash equivalents, net of outstanding bank overdrafts

**l) Income Tax**

Income tax expense comprises current and deferred tax. It is recognized in the profit or loss account except to the extent that it relates to items recognized directly to equity or other comprehensive income.

**Current tax**

Current income tax is the expected amount of income tax payable or receivable on the taxable profit income or loss for the year determined in accordance with the Tanzanian Income Tax Act and any adjustment to the tax payable or receivable in respect of the previous years. It is measured using tax rates enacted or substantially enacted at the reporting date.
