To: Chairperson,
Gorich Travel Agency Limited
P.O. Box 41063,
Dar es Salaam, Tanzania

Opinion

We have reviewed the financial statements of Gorich Travel Agency Limited set out on pages 11 to 20 which comprise the statement of financial position as at 31st December 2022, Statement of Profit/ Loss and other comprehensive income, Statement of changes in Equity and Statement of Cash flows for year ended, and notes, comprising significant accounting policies and other explanatory information

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Gorich Travel Agency Limited as at 31st December 2022, and its financial performance and cash flows for the year then ended, in accordance with International Financial Reporting Standards (IFRS) and the requirements of the Companies Act, Cap. 212 of Tanzania.

Basis for Opinion

We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2400 (Revised), "Engagements to Review Historical Financial Statements." A review of financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Other Information

The Board of Directors is responsible for the other information. The other information comprises the Directors' Report, Statement of the Directors Responsibility and Declaration of Accountant/ Head of Finance. The other information does not include the financial statements and our auditors' review report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our review of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the review, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

REPORT OF THE INDEPENDENT AUDITORS TO THE EXECUTIVE COMMITTEE (Continued)

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Generally Accepted Accounting Principles (GAAPs) and setting an internal control system as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the financial statements.

Our responsibility is to express a conclusion on the accompanying financial statements.

We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2400 (Revised), Engagements to Review Historical Financial Statements. ISRE 2400 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the applicable financial reporting framework. This Standard also requires us to comply with relevant ethical requirements.

A review of financial statements in accordance with ISRE 2400 (Revised) is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are less than those performed in an audit conducted in accordance with International Standards on Auditing.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying financial statements do not present fairly, in all material respects, the financial position of Gorich Travel Agency Limited as at 31st December 2022, and (of) its financial performance and cash flows for year ended in accordance with GAAP
